gravity of the problems presented. of those were it was declared that the general public do not realise the serious nature of the issues involved.

Union officials, with the exception of maintenance of way employees and the Brotherhood of Railroad Trainmen, apparently were willing to leave the case in the hands of the President. Although there was dissatisfaction because living costs had not been resuced, it was evident that the union nen felt another opportunity should be given for adjustment.

Mr. Hines has made a tentative appointment for this afternoon with I, B. Malloy, Vice President of the Brotherhood of Maintenance of Way. organization's alleged grievance.

W. G. Lee, President of the Brotherfrood of Railroad Trainmen, also was to confer with the Director General on his individual reasons for inwallduting the agreement which his with receiving \$21,000 in stolen accurequalization has. Notofication of intention to break the agreement was given Mr. Hines Jan. 23, which, under the thirty-day clause, will leave that organization without a working confract with the Rallroad Administration on Feb. 22, six days before the reads' return to their owners.

According to statements of Vice-President John Malloy of the United Brotherhood of Maintenance of Way Workers, that union will carry out its strike order unless its demands are granted before 7 A. M. Tuesday, Acpording to Malloy, travel on all rail- the rest. roads will become dangerous for the public immediately after his men quit.

President Wilson will find it diffimalt to grant the demands of the unions, officials predicted to-day. They pointed out the Precident is no more likely to authorize increases was Hines, who maintained such action would be unfair in view of the fact the roads are to go back to private centrol March 1.

The President's most likely course, it is believed, would be to communicate with the private railroad managers, urging them to give careful consideration to the demands of the

The indications When the detectives present him for answers to their many inquiries he are all the other way.

FARMERS DENY RIGHT TO STRIKE

They Point Out That Walkout Would Mean Right to Starve Public.

WASHINGTON, Feb. 12 .- Denial contained in a memorial to Congress, formulated at a conference here of representatives of four large farmers' of Railway Trainmen, to-day asked Atorganisations, the National Grange, torney General Palmer, through Repre the American Farmer Bureau Federation, the Cotton States Board and Koos Rocks, a railway suburg of Pittsthe Association of State Farmers' burgh.

The union, according to the letter

Pointing out that the city population of the country is dependent on the farmer for food and that interruption of this supply can be brought about through strikes of railroad or other transportation unions, the members and their families have been railroad without good reason.

Those who believe that labor has an inherent right to organize a strike believe that such organizations have a right to starve the people of the cities to death, on the one hand, and to destroy the property of the farmers, on the other. No such right may ever existed, and no such right rists now."

Durch Campbell, is in position to furnish the Government down the father recognized by its made because the follower that to reduce the coat of living and if necessary to use the office of the Attorney General to bring about such a reduction.

PREDICT ADOPTION OF RAILWAY BILL

Congressmen Believe Measure Will Be Passed Before Roads Go Back to Owners.

room at the Capitol to-day. His pres-ence gave rise to reports that the cam-paign of William G. McAdoe for the Democratic nomination for the Presi-dency is soon to be inunched.

Democratic Senators and others have been receiving infilmations recently, that the time was about ripe for "apringing" McAdoo. Haruch has de-nied he is managing anybody's cam-paign. The belief persists at the Capi-tol that he is greatly interested in McAdoo's chances. WASHINGTON, Peb. 12 (By The ssociated Press).-While some opposition to the Railroad Bill as finally agreed upon in conference has developed. Bennte and House leaders precricted to-day that the conference report

rould be promptly adopted so that the section would be on the statuts books before the roads are returned to private cortrol in March.

The final draft of the conference report is now being made and it will be researched to the Senate Saturday or Monday. The Home expects to take the spectrum Monday or Tuesday at the latest and leaders said to-day it would a disposed of in two days.

Here is the amended reservation as indorsed by the mild reservationists and approved by Senator Lodge:

The United States assumes no obeigation to preserve by the use of its military or naval forces or by the economic boycott, or by any other means, the territorial integrity or political independence of any other country, or to interfere in controversies between no tions-whether members of the League or not-under the provisions of Article X., or to employ the military or naval forces of the United States under any article of the treaty for any purpose, unless in any particular case the Congress, which under the Constitution has the sole power to declare war, shall by act or joint resolution so provide.

This is simply the original Lodge reservation plus the clause "or by the economic boycott or other means." Bo far from offering a conceasion to the Democratic viewpoint. t is more repugnant, as it removes the United States still further from participation in the possible enforcement of the purposes of the League of Nations. No word has come from he White House about it.

MORE WORK HOURS ASKED IN BERLIN

Metal Trade Urge Bigger Output. BERLIN, Feb. 12.-The Arbitration

Board, to which the employers and employees of the Greater Berlin metal trades referred the issue of working hours, has decided upon a weekly schedule of 46% hours actual working time. Both parties are bound to the board's verdict.

After the employers had agreed to the wage increase and special allowances they demanded that the workers contribute an increased output by extending their working hours.
